

WIT PRESIDENTS CLUB

GNR Rally

The officers of the WIT Presidents Club want to thank members for a great turn out for the annual dinner at GNR this year. There were 71 adults and 1 granddaughter attending and everyone had a good time. The event was on Sunday evening (the 16th) starting at 6:15pm, with check in and the giving out of door prize tickets and the purchase of 50/50 raffle tickets with half going to the winner and half to the GNR 2018 Youth Program. There was a tray of cheese, crackers, meat and fruit for appetizer to get the evening started.

President Joe McBride and Treasurer Glenda Erdmann gave a warm welcome to everyone attending and recognized WIT Staff members Consumer Engagement Manager Denise Hagen, Western Area Reps. Butch & Becky Moore and the New Central Area Reps. Butch & Val Peters, and then recognized the past and current presidents and all who had served in the Military, EMT's, Fight fighters, and Law Enforcement Officers.

The meal was served around 7:00 pm and was very good, and then a group of young people provided the entertainment for the evening. The evening ended with drawing for the 50/50 raffle, door prizes and a goody bag was given out to those attending as they left.

The annual meeting was held on Friday (the 21st); there were 21 members attending, 4 non-members and Western Area Reps. Butch & Becky Moore. The meeting was cut short due to a strong gust of wind moving the poles that supported the tent.

The President Club had a designated parking row for members at GNR and 4 club members parked in it.

The officers are making plans for the 2018 GNR with the theme "Red, White & W". This is the 60th Anniversary of Winnebago Industries. The starting date is July 23rd and ending on July 28th. We look forward to seeing some of our members at different events this winter and hope to see you at GNR 2018.
